Education

Bachelor Of Engineering: Computer Science   Expected in: 05/2026

Pillai HOC College of Engineering and Technology

- **Technical Head**, **TPC-PHCET**, 2023 to 2025
- **Technical Head**, **GDSC-PHCET**, 2023 to 2025
- Member of **CSI-PHCET**, 2023 to 2025
- **Vice President** of **Student Council**, 2023 to 2024
- The **AI Desktop Assistant** is a second-year project **aimed at assisting people with disabilities** who are unable to use their hands to operate a computer. By using voice commands, these individuals can efficiently perform their day-to-day tasks on a computer. - Capstone Project

Pillai HOC College of engineering And Technology – Rasayani, Maharashtra   10/2024

Professional Summary

Passionate about leveraging technology and solve real-world problems, Third year Computer Engineering student with a strong foundation in software development. Over a year of experience in Python programming, Web Automation, and Web Scraping, honed skills and gained practical knowledge in these areas. Journey in Computer Engineering driven by curiosity and a desire to continuously learn and grow, well-equipped to contribute to innovate projects and drive technological advancements.

Skills

- Python
- Software testing
- Web Development
- Gen AI
- Requirements Gathering
- Process Automation, Test Automation
- Multitasking Abilities
- Adaptability and flexibility, Relationship building
- Video Editing
- Web Automation
- Selenium Testing
- C Foundation
- Prompt engineering
- Project Management, Project Planning
- Operating system installation
- Active Listening
- Team Management, Team Building, Task Prioritizing
- Selenium Automated Testing

Work History

Sr. Technical Manager   11/2023 to current

Google Developers Group – On campus

Technical Head   10/2023 to current

Training and Placement Committee – PHCET

Vice President of Student Council at Computer Engineering Department   09/2023 to 10/2024

Pillai HOC College of Engineering and Technology – Rasayani, Maharashtra

Volunteer   03/2024 to 03/2024

HackOverflow 2.0 - Rasayani, Raigad

- Assisted with special events sand programs.
- Supported engaging, fun, and smooth-running events by helping with organization and planning.
- Using strong interpersonal communication skills to convey information to others.
- Represented Organization positively and professionally while providing community with much-needed services.

- Coordinated and managed volunteer activities for community projects.
- Coordinated with different service providers to meet student's individual needs.
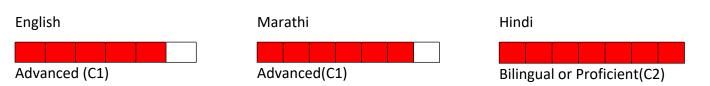

Tutor   06/2020 to 02/2022

Shivam Classes – Nallasopara [E].

Accomplishments

- Sr. Technical Manager, GDG OnCampus, 11/2023 to present
- Technical Head, TPC – PHCET, 10/2023 to present
- Vice President, Student Council at Computer engineering Department, Rasayani, Panvel, Maharashtra, India.
- Volunteered for a 3 day long National level Hackathon and contributed to the successful completion of HackOverflow 2.0.
- Helped over 100 students in completion of Google Cloud Jam, Vertex AI.

Languages

English	Marathi	Hindi
Advanced (C1)	Advanced(C1)	Bilingual or Proficient(C2)

Hobbies and Interests

- Machine learning
- Data Science
- Full-stack Development

Passions

- Cyber Security
- Computer networking
- Python Programming
- Web Automation
- Selenium Testing
- System Automation
- Generative AI
- Prompt Engineering
- Machine Learning

Certifications

- **Python and flask demonstrations Practice Course** on 07/28/2023 as taught by **Horizon Tech**
- **Cyber Security: Detect and Prevent Malware** on 02/09/2024 as taught by **Frank Anemaet**
- **Linux Command Line Terminal Basic for beginners** on 08/18/2023 as taught by **Jaikishan Mohanty**
- **Batch script Programming crash course (CMD)** on 02/09/2024 as taught by **Narendra Dwivedi**
- **Learn to create AI assistant (JARVIS) with Python** on 08/03/2023 as taught by **Arbaz Khan**
